Re: Genetically Modified Organisms (GMO) & Genetically Engineered (GE)
Policy Statement

Rice Lake Farms and Rice Lake Farms Packing, LLC do not grow or pack any vegetable(s) that are Genetically Modified Organisms (GMO) or Genetically Engineered (GE). Additionally, we follow the same practice for our cover and rotational crops.

Our policy to remain a GMO/GE Free grower, packer and shipper is further supported with letters of guarantee from our seed and transplant suppliers. The decisions that we make as an organization will be guided by integrity, first and foremost, and will be the cornerstone for all that we do.

Thank you for your trust and shared commitment to food transparency and sound environmental agricultural practices. We are thankful to serve you and welcome you to our growing nationwide team. Should you have any further questions please contact us at your convenience.

Sincerely,

John Veurink
President
